

STAR Enrollment

Middle School Criteria

At Stars That Shine, we're dedicated to empowering every girl with the tools and support she needs to be empowered and excel academically and personally. To join our Middle School STAR program, applicants must strive to meet the following criteria:

1. Enrollment:

- Must be currently enrolled in a middle school located in West Virginia. Please complete our STAR registration page at <https://www.stslg2success.com/become-a-star>

2. Academic Commitment:

- Must agree to participate in an Academic Success Plan, which includes maintaining a minimum GPA as set by the program.
- Participation includes access to tutoring, academic success coaches, and other educational support to help meet academic goals.

3. Consistent Participation:

- Must commit to attending STAR empowerment sessions, workshops, and activities, maintaining a minimum attendance rate of 89% per quarter.
- Regular attendance is essential for benefiting fully from the program's resources and support network.

4. Engagement with Mentorship & Support Services:

- Participants will have access to mentors, tutors, counselors, and academic coaches.
- Girls must be willing to engage actively with these resources to nurture positive behaviors, attitudes, and academic success.

5. Behavioral and Attitude Expectations:

- Must demonstrate a commitment to personal growth and adhere to program guidelines aimed at reducing at-risk behaviors and promoting a safe learning environment.

6. Parental/Guardian Support:

- A parent or guardian must provide consent and support for the participant's involvement in the program, group trips, camps, and activities.
